

# MCCORMICK® GRILL MATES® JOINS FORCES WITH ACTOR MARK CONSUELOS TO LAUNCH #GIRLDADGRILLDAD SOCIAL MEDIA CHALLENGE TO FIGHT FOOD INSECURITY

**Throughout the month of June, Grill Mates and the actor are challenging people to share their father-daughter grilling selfies to support Feeding America® and showcase proud girl dads**

HUNT VALLEY, Md., June 1, 2021 /PRNewswire/ -- Today, McCormick® Grill Mates® announced the launch of its month-long #GirlDadGrillDad social media challenge in partnership with actor [Mark Consuelos](#) and Feeding America® to celebrate girl dads while fighting food insecurity. Leading up to Father's Day, Grill Mates is highlighting proud dads and father figures who are passing down grilling traditions and empowering the young women in their lives. To kick off the challenge, Mark posted a grilling selfie with his daughter, Lola, using #GirlDadGrillDad, and is encouraging grillers everywhere to do the same. On behalf of all the grilling dads and daughters taking the challenge and raising awareness for food insecurity, Mark and Grill Mates are helping provide 1.5 million meals\* to Feeding America to serve families in need.

"My relationship with Lola is so special as she is my only daughter. She made me a girl dad when she was born on June 16, 2001, the Saturday before Father's Day, and it was the best Father's Day gift I could have ever asked for," said Mark Consuelos. "Fast forward 20 years, and here we are in 2021, celebrating Father's Day and Lola's 20th birthday together by the grill while giving back with #GirlDadGrillDad – it's amazing! Helping others has always been a central tenet for our family and it's exciting to see Lola continue that as a young adult."

Mark Consuelos, who learned to grill from his father and spends as much time as he can outdoors entertaining with his family, has taken this opportunity to show off his grilling skills with a new and exclusive recipe, [Garlic & Herb Grilled Halibut Skewers](#). This quick and healthy grilled fish recipe features some of Mark's favorite ingredients and delivers the perfect balance of flame and flavor with a bold garlic seasoning, a mild heat from shishito peppers and sweetness from the cherry tomatoes.

"This year we are celebrating a time-honored tradition of dads and father figures spending quality time with their daughters, while mastering grilling traditions and giving back to people in need," said Andrew Foust, President U.S. Consumer Products for McCormick. "As a girl dad myself, I cherish the moments my daughter Ella Mae spends with me. Being an avid griller, it's important to me to share my passions with her and pass down the grilling tips and life lessons I picked up from my father."

As part of the campaign, limited-edition #GirlDadGrillDad merchandise, including men's and women's t-shirts, tank tops, sweatshirts and more, will be available via [Amazon](#) beginning June 1 through June 25, with all the net proceeds\*\* from those sales benefiting Feeding America.

"Feeding America is grateful to be working with McCormick Grill Mates and Mark Consuelos as the charitable partner for the #GirlDadGrillDad campaign. With food insecurity so prevalent in our country, it is great to be a part of an initiative that not only raises resources for hunger relief but celebrates families sharing quality time and traditions through food," said Lauren Biedron, Vice President of Corporate Partnerships at Feeding America. "The campaign will help provide 1.5 million meals for our neighbors in need, and for that we are thankful."
