

BLACK CURRANT MOVES FROM TREND TO TABLE AS MCCORMICK® LAUNCHES 2026 FLAVOR OF THE YEAR PRODUCTS AND AN IMMERSIVE FLAVOR EXPERIENCE

The brand known for its global flavor authority brings its 2026 Flavor of the Year to life with two innovative products and Sensoria: The Black Currant Experience this April

HUNT VALLEY, Md., March 24, 2026 [PRNewswire/](#) -- McCormick®, the global leader in flavor and the authority behind the industry-guiding Flavor Forecast, is providing more ways than ever to experience its Flavor of the Year. After naming Black Currant the [2026 Flavor of the Year](#), McCormick is bringing the trend from forecast to fork with two bold new product launches: **McCormick® Sweet & Smoky Naturally Flavored Black Currant Seasoning** and **McCormick® Black Currant Finishing Sugar**. From grocery aisles to restaurant tables, McCormick is empowering home cooks and chefs alike to experience what's next in flavor. And this April, the brand is taking it even further with an immersive experience like no other.

On April 24 in New York, NY, McCormick will host [Sensoria: The Black Currant Experience](#). In this multisensory event, dining meets design, sound, and scent, bringing the 2026 Flavor of the Year to life through a boundary-pushing, multi-course tasting that blurs the line between food and art. Guests will step into a bold, curated world inspired by the 2026 Flavor Forecast, where Black Currant takes the stage in unexpected, craveable ways. Layered with custom soundscapes, transportive aromas, striking visuals, and tactile elements, Sensoria shows how Black Currant earned its place as 2026 Flavor of the Year.

"We named Black Currant our 2026 Flavor of the Year because we see its power to transform both sweet and savory cooking," said Tabata Gomez, Chief Marketing and Growth Officer at McCormick. "Now, that vision is coming to life through innovative new products and a can't-miss, experiential dining experience. This isn't about following trends – it's about experiencing the future of flavor in ways everyone can enjoy."

New McCormick Black Currant-Inspired Products

McCormick® Sweet & Smoky Naturally Flavored Black Currant Seasoning

This versatile seasoning showcases black currant's rich, dark berry notes, complemented by bold flavors of aged red jalapeño, oak smoke, and toasted onion that proves just how delicious this berry can be. Try these [Black Currant Smashburger Sliders](#) or use the seasoning to elevate sauces, glazes, and dressings.

McCormick® Black Currant Finishing Sugar

For a taste of black currant's sweet side, this finishing sugar is a go-to flavor for all things decadent and delicious. Sprinkle Black Currant Finishing Sugar on desserts like this [Black Currant Cheesecake Mousse](#), baked goods, or even cocktails for a pop of color and vibrant flavor that elevates any moment.

"With the launch of our Black Currant Seasoning and Finishing Sugar, we're seeing the Flavor of the Year move from inspiration to plates in both home kitchens and restaurants," said Hadar Cohen Aviram, Executive Chef at McCormick. "Black Currant may be small, but its tangy-sweet, nuanced flavor brings depth to any dish, empowering cooks to experiment and experience flavor in entirely new ways."
